PROFILE

Experienced Web Designer & Front End Developer based in Syosset, NY. I graduated from the University of Sheffield (in the UK) in June 2017, before starting my career in web design and development in the US.

EXPERIENCE

UX Developer (Remote)

Calcium | Philadelphia, PA | January 2021 to present

- Implement digital solutions for a range of clients in the medical field.
- Conduct UX reviews and improvements across multiple areas.

Web Designer & Front End Developer (Remote)

LINX LLC | Wellesley, MA | October 2018 to December 2020

- Designed and built the front end of our web applications.
- Worked closely with developers to integrate front and back end code, and maintained our network and servers.

Project Management Officer

Irwin Mitchell LLP | Sheffield, UK | August 2015 to May 2018

- Managed a number of web projects and worked closely with our designers and developers to ensure project deadlines were met.
- Built and maintained a pattern library for our site.

WEB DEVELOPMENT

Front End

HTML5, Twig, Liquid, SASS, CSS3, Bootstrap, JavaScript, jQuery, BEM, Accessibility (WCAG). I build responsive web pages and applications across a range of devices, and also have experience coding HTML emails and building design systems.

Back End

PHP and MySQL. I also have experience maintaining web servers, building computers, and setting up large scale networks.

EDUCATION

University of Sheffield | England, UK | September 2013 to June 2017

BA (Hons) Business Management with Employment Experience

- Graduated with a 2:1 classification.
- Courses include consumer psychology, digital marketing, creativity and innovation, essentials of marketing and business strategy.
